How To Guide: How to use a subscription and renew it

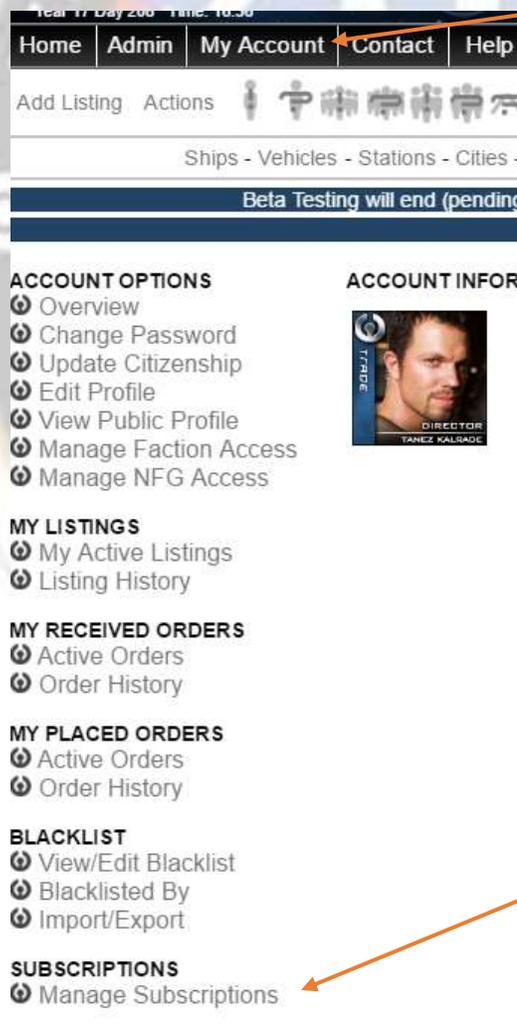

What is a subscription? A subscription is a paid portion of TFM, which allows an account (user/faction/nfg) to access additional features of the site.

What subscriptions are available? Currently, the following subscription services are available:

- **Asset Management System (AMS)** – An automated production and management system designed for producers, miners, or anyone who wishes to track raw materials, facilities, shipyards, or production activities.

How do I access a subscription, and what does it cost? Each subscription may have a different cost associated, but how to proceed through a subscription sign-up is detailed below:

Step 1: Access the subscription panel

The screenshot shows the 'My Account' page of the Trade Federation Market website. The navigation bar includes 'Home', 'Admin', 'My Account', 'Contact', and 'Help'. Below the navigation bar, there are links for 'Add Listing' and 'Actions', and a list of categories: 'Ships - Vehicles - Stations - Cities'. A banner indicates 'Beta Testing will end (pending)'. The main content area is divided into two columns. The left column contains several sections: 'ACCOUNT OPTIONS' with links for Overview, Change Password, Update Citizenship, Edit Profile, View Public Profile, Manage Faction Access, and Manage NFG Access; 'MY LISTINGS' with links for My Active Listings and Listing History; 'MY RECEIVED ORDERS' with links for Active Orders and Order History; 'MY PLACED ORDERS' with links for Active Orders and Order History; 'BLACKLIST' with links for View/Edit Blacklist, Blacklisted By, and Import/Export; and 'SUBSCRIPTIONS' with a link for Manage Subscriptions. The right column is titled 'ACCOUNT INFOR' and features a profile picture of a man with the text 'DIRECTOR TANJIZ KALBADE'. Two orange arrows point to the 'My Account' menu item and the 'Manage Subscriptions' link.
